

Music City Arts Academy

Private Lessons

Dear St. Edward Parents:

The Music City Arts Academy (MCAA) is a music education program for students who want private lessons. The MCAA goals are to guide students in attaining a high level of music education and to help each student realize his or her individual potential. The MCAA provides lessons for the following: piano, voice, guitar, drum, violin, or any brass or woodwind instrument. The 30 minute lessons are for 12 weeks through the semester and the cost is \$300 for the semester.

The MCAA is offering a few group lesson options this year. To have a group lesson, there must be 3-4 students enrolled for the program. The lessons will be taught over a 12 week period and the cost is \$180 per semester. Payment in full needs to accompany the registration form.

Guitar club (5th – 8th grade)
Songwriter Workshop (5th – 8th grade over lunch on Thursday)
Violin Club for beginners - Thursdays from 3-4

Attached is the registration form for lessons. Please fill out the registration form and include a \$25 registration fee for all students. All students must have a form and payment in the office prior to being placed with a teacher. All returning students have priority with their teacher and will be given their same date and time as last semester, unless otherwise requested. The cost per semester is \$300 for 12 lessons and \$150 plus the registration is due to be placed on the schedule. The additional \$150 is due on or before September 8, 2017. The cost of group lessons is \$180 for the semester and must accompany the registration form and fee. *All checks must be made to Music City Arts Academy.*
